

CUPIDO: getting pregnant, pregnancy, labor and afterward

By Eileen Nauman, DiHOM, EMT, Medical Astrologer

Copyright 2023 Eileen Nauman

NOTE: These progressed planets can be reversed and still mean the same definition. Example:

Prog. Natal

Cupido/ Apollon OR Apollon/Cupido

The first would read: progressed Cupido conjunct natal Apollon

The second would read: progressed Apollon conjunct natal Cupido

If you have three planets, they can be mixed and matched a number of ways and it still means the same outcome/definition I've provided.

This handout does not cover all possible pregnant, pregnancy, labor, birth or afterwards medical possibilities.

Please get a copy of my book, Medical Astrology by Eileen Nauman if you want many more situations.

Getting Pregnant – progressed to natal OR switch planets vice-versa

Prog. Natal

Cupido/Apollon (twins or multiple births) or **Apollon/Cupido**

Cupido/Jupiter

Cupido/Mars

Cupido/Uranus (oops, the condom broke!) you unexpectedly find yourself preggers!

Cupido/Venus or **Venus/Cupido**

Cupido/Zeus

Fertile Myrtles

Prog. Natal

Cupido/Apollon (twins or a lot more births due to fertility drugs)

Cupido/Mars

Cupido/Jupiter (weigh 10 pounds) or an overweight baby

Cupido/Venus

Cupido/Zeus (fraternal twins)

Birth issues

Prog. Natal

Cupido/Admetos denotes inability to be fertile or produce a stillborn or lack of oxygen to the fetus during labor, strangulation/suffocation of fetus by umbilical cord during labor (have ultrasound available the minute the mother enters the birthing suite)

Cupido/Hades fetus deformity, genetic issues/DNA issues

Cupido/Saturn (Cystic fibrosis (mucous in lungs) or

Cupido/Mars is miscarriage, pre-eclampsia, uterine rupture during labor, and/or C-section operation, labor (have ultrasound available the minute the mother enters the birthing suite)

Cupido/Uranus is uterine rupture during labor, miscarriage and/or C-section operation labor (have ultrasound available the minute the mother enters the birthing suite)

Cupido/Vulcanus is pre-eclampsia, uterine rupture during labor and (have ultrasound available the minute the mother enters the birthing suite) in case umbilical cord wraps around neck of fetus, causing strangulation/suffocation.

Cupido/Neptune is bacterial/virus causes infertility problems or a miscarriage

Cupido/Pluto fetus deformity, genetic issues/DNA issues

Cupido/Vulcanus is early birth (premature), uterine rupture during labor, pre-eclampsia, and/or labor is sudden and FAST! (have ultrasound available the minute the mother enters the birthing suite). These are babies born in a car speeding to the hospital for delivery and doesn't make it. Oops!

Cupido/Neptune is spiritual birth or a baby with "water on the brain," or hydrocephalus and has extra cerebrospinal fluid (CSF) around the brain, mucus in lungs causing low oxygen levels

Cupido/Poseidon is spiritual birth or a baby with "water on the brain," or hydrocephalus and has extra cerebrospinal fluid (CSF) around the brain. Still born or baby birth's alive but does not live outside of the womb for 72 hours or less.

Cupido/Chiron is death of fetus at any month and/or miscarriage, death shortly after birth or extreme life-saving measures are taken after the birth. Early surgery (heart) in days or weeks after birth. Uterine rupture during labor, and (have ultrasound available the minute the mother enters the birthing suite) or death of the mother.

BIRTH ISSUES -- continued

Prog. Natal

Cupido/Admetos is miscarriage

Cupido/Saturn is miscarriage

Cupido/Neptune is miscarriage

Cupido/Uranus is miscarriage, uterine rupture during labor, Uterine rupture during labor, pre-eclampsia

Cupido/Zeus/Saturn is miscarriage, uterine rupture during labor, pre-eclampsia

Cupido/Uranus is childbirth via C-section, fetal distress/strangulation by cord around neck of fetus during labor, uterine rupture during labor, and pre-eclampsia. (have ultrasound available the minute the mother enters the birthing suite)

Cupido/Mars is uterine rupture during labor, pre-eclampsia , childbirth via surgery or C-section, fetal distress/strangulation by cord around neck of fetus during labor. (have ultrasound available the minute the mother enters the birthing suite).

Following progression/natal: is childbirth via surgery or C-section, fetal distress of any type/strangulation by umbilical cord around neck of fetus during labor (have ultrasound available the minute the mother enters the birthing suite)

Cupido/Admetos

Cupido/Apollon means twins or multiple births, are born and sometimes Cupido/Zeus (fraternal twins)

Chiron/Cupido

Cupido/Neptune

Cupido/Vulcanus uterine rupture during labor, pre-eclampsia

Moon/Admetos

Mars/Admetos/Cupido pre-eclampsia

Saturn/Admetos/Cupido

Uranus/Admetos/Cupido

Venus/Admetos/Cupido
